- December 09 and December 23
- March 11 and 25
- May 13 and May 27
- July 08 and July 22
- September 09 and September 23
- November 11 and November 25

■ First meeting conducted 2/12/14

- Introductions
- Sunshine law Review
- Schedule discussed
- Review “basic project questions”
- Goal Statement drafted
- Small group developing draft scope

DRAFT Goal Statement

- *Identify regions within the CFWI with existing resource (MFL and non-MFL) impacts and areas with potential for future resource impacts, correlated with withdrawals.*
- *Evaluate whether the existing and potential future impacts can be recovered or prevented by existing programs or need additional strategies for recovery/prevention.*
- *For those areas that cannot be recovered/prevented by existing programs, work with other sub-teams and the Regulatory and Solutions Planning Teams to develop alternatives for strategies to recover and protect water resources.*

Next steps

- Face-to-face meeting on 2/25/14
 - SWUCA overview
 - Overview of methods
 - Demand projections
 - Groundwater modeling
 - Review all sub-team goal statements
 - Finalize goal statement
 - oDraft scope of work

Thank you.
