City Hall
300 W. Plant Street
Winter Garden, FL 34787

June 4, 2015

AGENDA

- | | |
|----------------|--|
| 4:30 – 5:00 pm | Welcome, meet the CFWI staff |
| 5:00 – 5:30 pm | Presentation of the draft 2035 Water Resources Protection and Water Supply Strategies Plan for Orange, Osceola, Polk, Seminole, and southern Lake counties |
| 5:30 – 6:30 pm | Public Comment |

The Central Florida Water Initiative (CFWI) is a collaborative effort for water resource planning, development and management among the Florida Department of Environmental Protection; the St. Johns River, South Florida and Southwest Florida water management districts; the Florida Department of Agriculture and Consumer Services; and water supply utilities. The CFWI area includes Seminole, Orange, Osceola and Polk counties and southern Lake County.
