

# WATER SHORTAGE IRRIGATION REMINDER

Daytime irrigation was observed at this address.

An **extreme water shortage** has been declared due to ongoing dry conditions, below-average rainfall, and declining groundwater levels.

## What this means:

- Landscape irrigation is limited to **one day per week**.
- **Odd-numbered or no-address homes:** Saturday
- **Even-numbered homes:** Sunday
- **Nonresidential properties:** Tuesday
- Irrigation is **not allowed between 8 a.m. and 6 p.m.**
- All water users are encouraged to reduce water use.
- New plants/sod may be watered every day for the first 15 days after installation, up to three days per week for the next 30 days, and only two days per week for the final 15 days.
- Wasteful or unnecessary water use is prohibited.
- Residents, businesses, and property managers are encouraged to proactively plan for extended dry conditions and the potential for additional restrictions.
