

Watering Restrictions

The St. Johns River Water Management District’s watering restrictions are designed to ensure the efficient use of water for landscape irrigation. The restrictions allow enough water to maintain healthy landscapes year-round. The mandatory restrictions specify the time when watering may occur, the amount of water that may be applied, and the days when watering may occur.

Know Your Watering Days

Time of Year	Odd Numbered or No Addresses	Even Numbered Addresses	Nonresidential Properties
Eastern Standard Time (winter)	Saturday	Sunday	Tuesday

Water only when your landscape needs it. For details on watering restrictions and exceptions, visit sjrwmd.info/watering-schedule-pc or scan QR code.
